

**CANCELLATION OF THE INVITATION TO BID FOR  
PURCHASE OF HYDRATED LIME REISSUE  
AND REJECTION OF ALL BIDS**

**CLEAN WATER SERVICES**

**DATE ISSUED: MAY 21, 2021**

Clean Water Services (District) Invitation to Bid for Purchase of Hydrated Lime Reissue (ITB) is canceled and all bids received in response to the ITB are rejected.

District reissued the Invitation to Bid and removed the requirement to provide mileage. It appears there was confusion again about the bid requirements. District finds that pursuant to its Purchasing Rules there is good cause to cancel the ITB and reject the bid received and that doing so is in the public interest.

District intends to reissue the Invitation to Bid to include hauling from the Bidder's location to District's facilities.
